If the EFT is being made from an ABSA bank account, we are a listed beneficiary. If banking via internet please identify donation either by Company name or telephone number. Please fax application form and deposit slip to: 021 434-1661.

Not only is your support crucial to our organisation but all donations whether in cash or gift-in-kind, afford donors:

- points for their BBBEE scorecard (since more than 76% of our beneficiaries are per definition black)
- as well as a tax rebate (since we have been afforded special SARS 18A status)

**Note:** SARS rebates are not available for entry fees to an event or competition – only for donations.

You will also be associating your company with a well-known and highly respected brand and we have created a logo specifically for our corporate donors to use as they see fit.

Once this form is filled in, it can be e-mailed to Wendy at wendy@searescue.org.za
